OFFICE OF ~~THE SECRETARY TO GOVT OF MYSORE~~ the INSPECTOR GENERAL OF EDUCATION ~~EDUCATION DEPARTMENT~~

From

To

Revenue and Revenue Departments,
Bangalore

~~Sir,~~

Sir,

+ Edn 9 of 95 With reference to the Government Proceedings No 8514-5 dated the 23rd January 1896 sanctioning the Village School Fund Budget for the year 1895-96, I have the honour to inform you that the marginally noted new works are required to be put in hand during the current year, and these works were provided for in the list of Building Works which accompanied my memorandum on the Village School Fund Budget for the current year. The subscriptions to be paid by the people in the case of the school building at Kallanhatte in Chellakere Taluk as pointed out in the list, have been collected and amount to Rs 210-4-0. A plan and a detailed estimate for the work

name of work	Appropriation required
Extending the Taluk Branch School at Nyamte in Shimoga Taluk	Rs 500
Constructing the Taluk Branch School house at Kallanhatte in Chellakere Taluk	350
Do, Hole-School house, Kallur in Channagiri Taluk	385
Do Do, Santebennur in Channagiri Taluk	500
Total	Rs 1,735

are awaited. The plans and estimates of the three remaining works have been prepared and are herewith submitted for reference and obliging return. The extension of the Nyamiti Taluk Branch School house and the construction of a house for the Hobli School at Santebennur will be carried out through the agency of the Public Works Department, and the erection of school houses at Saikanhatti and Sallur will be carried out under the supervision of the Deputy Inspector of Schools. I request that Government will be pleased to sanction the payment of the appropriations noted against the works named in the margin for the current year's expenditure on them from the allotment for "Buildings" in the Village School Fund Budget for the current official year.

2. With reference to para 13 of the Government Order No. $\frac{8516-17}{Ed-230}$ dated the 23rd January 1896, I beg to point out that the provision of Rs 3,000/- entered for Minor Works in the list of Buildings which was submitted with my memorandum on the Village School Fund Budget for the current year, is not too much as the same is required to meet the charges of the Minor Works sanctioned last

year as well as this year. The cost of such work comes to about Rs 2500/- Some more works of this character have to be put off for want of funds It will thus be seen that the provision of Rs 1670/- sanctioned for 'minor Works in the Village School Fund Budget will not suffice and the balance, viz Rs 1,314/- left unappropriated out of the sanctioned provision of Rs 4,000/- for new Works, is therefore required for meeting the balance of the cost of the minor Works, amounting to Rs 830/-, already sanctioned over and above Rs 1670 reserved for them, and also for meeting the charges of other urgent works that may have to be sanctioned hereafter before the close of the current official year

I have the honour to be,

Sir,

Your most obedient servant,

H J Bhabha
Inspector-General
